

Vienna Bistro Soups & Chili

Bistro Soups & Chili are loaded with the homestyle goodness your customers crave, with fresh, natural ingredients that make a quality difference. All you have to do is heat, serve, and watch your customers line up. These soups and chili are cooked slowly, one kettle at a time to look and taste like homemade. All products are fully prepared for quality, convenience, and consistency. There is nothing to add. Just open, heat, and serve.

The bistro program allows retailers to offer a soup program as part of their foodservice lineup. The optimal program is a bistro double cooker with chili and a “soup of the day” offering for your customers. The chili can be used in other foodservice applications such as nachos and hot dogs. The “soup of the day” can become a destination for customers.

Preparation:

- Thaw frozen soup for 24-36 hours in refrigerator.
- Pour refrigerated soup in kettle warmer.
- Heat to 165 degrees. (approx 30 minutes)
- Hold at 145 degrees for serving.
