

Country Fresh Ovens

Country Fresh Ovens

Country Fresh Ovens offers high quality pastry items your customers will love. The pastries are made with the best ingredients that create flavorful, craveable products. Products are individually wrapped for the consumer on the go. Merchandise at the coffee bar or near the register for impulse buys.

Country Fresh Ovens offers a great alternative to DSD items.

Benefits of Country Fresh Ovens:

- Perfect portion size to fill the belly!
- **Higher Margins** - You will earn a higher gross profit margin versus DSD. GPM =45.6% versus 35-40% DSD.
- **Delivery** - Country Fresh Ovens items will be delivered with your regular Eby order, which reduces the number of trucks on your lot while eliminating additional order check-in and invoice processing.
- **Shelf Life** - Shelf life 45 days once thawed.
- **Higher Service Level** - Eby deliveries have a consistent day and time. You write the order and control the mix of items and quantities arriving to your store instead of DSD stocking items of their choice on days and times which may vary by week.
