## Sugar Foods

**Eby-Brown**

Sugar canisters, non-dairy creamer canisters, and sweetener packets from **Sugar Foods** have been contributing to the company's continued success for over 50 years. These brands continue to be the most widely recognized within the foodservice industry and are synonymous with value and quality that national distributors have come to expect. These products can be found on the tabletops of almost every national restaurant chain throughout the country.

Coffee and hot beverages continue to be a growing segment within the foodservice industry, thus the need for sweeteners and non-dairy creamers. A complete coffee and hot beverage condiment selection adds to an operator's success by offering value and variety to patrons which increases the likelihood of a positive experience and lasting impression.
