URGENT NOTIFICATION – PRODUCT RECALL

Dear Valued Customer,

We need to make you aware of the Class 1 recall that was recently issued by Huntington Meat Packing, Inc. The recall includes products shipped by Huntington Meat Packing, Inc. between the dates of January 22, 2009 and January 4, 2010. As a customer of Huntington Meat Packing, Inc. through February 9, 2009, Camino Real Foods, Inc., received and processed beef products that are included in the recall. Our production dates effected are January 26-29, 2009, January 31, 2009, February 2-5, 2009, February 9, 2009 and February 11, 2009 (see attachment). Only those items with the codes and dates listed contain the recalled product from Huntington Meat Packing, Inc., and must be removed from sale.

Let us assure you that we take the necessary steps to protect you, our customer, and your consumers. At this point, the U.S.D.A.'s Food Safety and Inspection Service (FSIS) has received no reports of illnesses associated with consumption of these recalled products. The recall announcement further states that, *"(the) FSIS advises all consumers to safely prepare their raw meat products, including fresh and frozen, and only consume ground beef or ground beef patties that have been cooked to a temperature of 160°F"*. All beef used in the production of our products is heated to 180°F as a precautionary, bacteria kill step should we ever unknowingly receive beef containing harmful bacteria. Additionally, we test our finished products several times a day to ensure that finished product is free from harmful bacteria. Should those tests show that bacteria levels are above a safe level, the finished product in question is put on hold and not released for sale.

We have reviewed our production data to determine the products that include beef that was produced during the recall time period by Huntington Meat Packing, Inc., and used in our production. Those details are attached for your review. Only those products listed contain beef involved in the recall by Huntington Meat Packing, Inc., only those products (refer to best by date to determine effected product) need to be removed from sale.

For further details regarding the recall by Huntington Meat Packing, Inc., please see the FSIS posting (<http://www.fsis.usda.gov/News & Events/Recall 004 2010 Expanded/index.asp>). We discontinued our relationship with Huntington Meat Packing, Inc., on February 9, 2009 and no longer use them as a supplier of beef for our products.

If you have any issues or concerns, please contact us immediately at 323-585-6599 (extension 254) and ask to speak with Dorothea Walker, our Customer Relations Manager.

Respectfully yours,

Rick Lunsford
Chief Financial Officer
Camino Real Foods, Inc.
