

The USDA has issued a voluntary recall of beef products from Huntington Meat Packing Inc. due to them not following their own food safety plan. The USDA has received no reports of any illnesses associated with these products.

This prompted us to analyze our purchasing records, and we found that Don Miguel made one purchase of beef flats from Huntington Meat in February 2009 which is included in the recall. This beef was fully cooked by Don Miguel to temperatures exceeding 165 degrees F for over one hour in compliance with our HACCP requirements, so we have no concerns regarding the safety of our Don Miguel Hand Butcher Wrapped (HBW) 7 oz Steak Burrito which was shipped 11 months ago.

We request that you review your inventory records and segregate and hold burritos with the following description and only with the code date of 9041:

**Item #: 18401**

**Description: Don Miguel Burrito HBW Steak 12/7 Oz**

**Code Date: 9041**

**Dates shipped from Don Miguel: March 12, 2009-April 2, 2009.** Any shipments after this date are not subject to the Huntington Beef recall and do not contain any beef from Huntington Meat Packing.

In the unlikely event that you or your customers have product in your inventory with the code date of 9041, please contact our Director of Quality Assurance and Food Safety, Dr. David Nieh by e-mail at [dnieh@donmiguel.com](mailto:dnieh@donmiguel.com), and he will make arrangements to have the product returned to Don Miguel. Please do not destroy the product. We will credit your account for product returned to Don Miguel. Please confirm to Dr. Nieh via e-mail or phone if you do not have any of this product bearing the code date of 9041.

This is a recall of beef from Huntington Meat Packing; it is **not** a recall of any Don Miguel food products. This only involves Hand Butcher Wrapped Steak Burritos with the code date of 9041.

We are proactively undertaking this action in cooperation with the Food Safety and Inspection Service (FSIS) of the U.S. Department of Agriculture; they may contact you to confirm that you have received this notice and are cooperating in this action.

If you have any questions, please do not hesitate to contact our company recall coordinator, Dr. David Nieh at 714-634-8441, Ext. 1296.

Sincerely,
