URGENT: FOOD RECALL OF YELLOW ONIONS DUE TO POSSIBLE LISTERIA CONTAMINATION

June 7, 2016

Dear Valued Customer

This is to inform you of a precautionary product recall involving: **Diced Yellow and Sliced Yellow Onions with the following Use By Date: 6/8/16, 6/9/16, 6/10/16, 6/11/16, 6/12/16, 6/13/16 & 6/14/16 and Julian dates: 150, 151, 153 & 154** due to the potential presence of Listeria, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, listeria infection can cause miscarriages and still births among pregnant women.

We began shipping these products on 5/28/16. Immediately examine your inventory and quarantine product subject to this recall. Please complete and return the enclosed response form as soon as possible, **whether or not you have any product in stock**. Please destroy all remaining product you have in inventory. In addition, if you may have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification must include instructions on what customers should do with the recalled product.

There has been no illness reported for this recall. This recall should be carried out to the user level.

Your assistance is appreciated and necessary to prevent consumer illness or patient harm

If you have any questions, call Joshua Porbeni at 859-578-3104 Monday – Friday 8:00 am – 5:00 pm EST.

This recall is being made with the knowledge of the Food and Drug Administration.

Sincerely,

Joshua Porbeni
Director of Food Safety and Quality Assurance
