FOR IMMEDIATE RELEASE (Solon, OH) — March 10, 2016 — Kanan Enterprises announces the voluntary recall of natural in shell pistachios due to potential contamination with salmonella. Our third party supplier who makes this product has asked us to issue this recall because it has the potential to be contaminated with Salmonella, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems.

The only item that is affected by this recall is Favorites Natural Pistachios, a 4.5 ounce stand up pouch bag with a UPC 0 38445 12286 5 and a date code of 15 Feb 2017 and 16 Feb 2017. No other products or dates are affected. This product was distributed nationally through convenience stores.

Consumers with this reported product should not consume this product. They should destroy it or return the product to the point of purchase. Consumers with questions should call 1-800-860-5464, 8:15 am – 5:00pm EST, Monday – Friday
