Dear Eby Brown:

Please be advised that ConAgra Foods is voluntarily recalling packages of DAVID Trail Mix Sweet & Salty due to the presence of an ingredient in the trail mix that contains milk protein, which is not declared on the packaging.

This recall is limited to DAVID Trail Mix Sweet & Salty only and does not impact other flavors of David Trail Mix or any David's Seeds products. This recall includes DAVID Trail Mix Sweet & Salty products sold as part of multi-variety packages that also contain David Trail Mix Classic. DAVID Trail Mix Classic is not impacted by this recall. Please remove only the products listed below.

The finished product is made for ConAgra Foods by a third party supplier who is conducting a separate recall for similar, impacted products. This food is a concern only for people who are allergic to milk. People who have allergies to milk run the risk of serious or life-threatening allergic reaction if they consume the product. ConAgra Foods was made aware of this issue through a consumer contact.

ConAgra Foods is advising consumers who have purchased this item to discard it or return it to the store where originally purchased.

You received items on the affected products lists below. We are asking you to isolate only the items from the list below. Store-level product and warehouse-level product must be destroyed per your usual reclamation or unsaleables process. Attached is an affidavit of destruction. Please complete and fax the form to the number provided on the affidavit to receive credit. If you have further distributed this product, please notify your customers of this recall, provide them with a copy of this notice and ask for their compliance.

**Step 1:** Please remove and destroy the following DAVID Trail Mix Sweet & Salty, with the following UPC codes from the store shelves immediately.
