RE: FDA Market Withdrawal

TW Garner Foods has encountered a situation with Texas Pete Packet Hot Sauce (200/7 GM – item #1.00003) where there has been a change in color and flavor before the recommended shelf life expiration. This finished product does not represent any food safety issues – it is strictly a quality issue in terms of color and flavor. This ONLY applies to Lot Code 021820 and as a result has decided to conduct a Market Withdrawal of this product. Only the below listed material is affected through Eby Brown.

The material that is affected is listed below:

Material #	Product Description	GTIN/UPC	Lot Code
390096	TEXAS PETE SAUCE HOT PACKET 7GR	00075500000034	Only 021820

Customers should examine their inventory and remove affected product from their shelves immediately and discard. Please call Eby Brown Customer service by 12/20/19 to receive credit for any quantities affected.

This product is carried in our GA plant. The plant has been notified and will remove any affected inventory.
