October 24, 2015

Dear Valued Customer,

PRODUCT RE-CALL

King Nut Companies has issued a product recall that affects an item we sell to you that contains a candy button that has an undeclared milk allergen.

While we take every measure possible to keep all of our products safe, this item came into us from a third party supplier of ours that they incorrectly produced containing milk. Please see the attached press release for further information.

Again, we are very sorry that this happened and are working diligently to make sure this never happens again. We truly appreciate your business and your cooperation in this matter.

If you have any further questions or concerns, please do not hesitate to contact us.

Sincerely yours,

Martin Kanan
President and Chief Executive Officer
