RE: Product Recall Notice

RXBAR has issued a voluntary recall of Chocolate Sea Salt and Coconut Chocolate RXBARS from a six-day production run in August. RXBAR identified the potential for trace amounts of undeclared peanut. These products include an advisory on the package label relating to peanuts that notes the bars are “Manufactured in a facility that also processes peanuts, tree nuts, eggs, milk, soy, and wheat,” so those most allergic would likely not purchase or consume these bars.

No other RXBAR flavors or RXBAR products are affected by the recall. There have been no hospitalizations reported and we are taking this action out of an abundance of caution.

Only the below listed material is affected through Eby Brown.

The material that is affected is listed below:

Material #	Product Description	Best by Date
133496	RXBAR PROTEIN CHOCOLATE SSALT BAR 1.83Z	June 10, 2019 to June 15, 2019
116996	RXBAR PROTEIN CHOCOLATE COCONUT 1.83Z	June 15, 2019 to June 17, 2019

Customers should examine their inventory and remove affected product from their shelves immediately and discard. Please call Eby Brown Customer service by 1/3/19 to receive credit for any quantities affected.
