Subject: Product Recall and Discontinuation of VapoSpray 4 Hour Decongestant Nasal Spray by Sinex

As a precautionary measure P&G is voluntarily recalling and discontinuing shipment of all unexpired lots of VapoSpray 4 Hour Decongestant Nasal Spray by Sinex (Item UPC 3-23900-00082-7). Prior to July 2009, this product was sold as Sinex Nasal Spray (same item UPC).

P&G is also voluntarily recalling Sinex Ultra Fine Mist pump (Item UPC 3-23900-00085-8) containing the same 4 Hour formula. P&G previously discontinued and stopped shipping this item in June 2009.

We are taking this precautionary step after finding that the product formulation may not meet the expiration date on the package. This is a voluntary recall and not a result of consumer complaints. This product is sold only in the U.S.

THIS RECALL DOES NOT AFFECT ANY OTHER VICKS OR SINEX PRODUCTS

Your P&G sales representative will provide additional information and answer related questions.

We apologize for any inconvenience this situation may cause you. P&G is taking the necessary steps to ensure our product quality meets customer expectations. As always, the safety of our consumers comes first, so we are taking precautionary action.

Sincerely,

Colleen Jay
Vice President
P&G Personal Health Care, North America
