**SUPPLIER LETTER:**

Snyder's-Lance, Inc. has initiated a Class II recall of its Hot Buffalo Pretzel Pieces due to possible metal contamination. Snyder's-Lance was notified by Kerry Ingredients that an ingredient supplied to them that could possibly contain metal fragments and that they were recalling the product due to the potential risk. To date, no complaints, injury or illness has been reported related to this incident but the recall is being conducted out of an abundance of caution.

Snyder's-Lance's Sales Team is removing the affected product from the market and providing the proper disposition as required by FDA.
